

About

Heritage NZ (HNZPT)

The New Zealand Heritage List identifies New Zealand's significant and valued historical and cultural heritage places. Established under the Historic Places Act 1993 as the 'Register of historic places, historic areas, wāhi tapu and wāhi tapu areas', it is continued under the Heritage New Zealand Pouhere Taonga Act 2014 (HNZPTA) as the New Zealand Heritage List/Rārangi Kōrero ('the List'). Please see ['the List'](#) for further information.

HNZPT Disclaimer

Entry on the New Zealand Heritage List/Rārangi Kōrero identifies only the heritage values of the property concerned, and should not be construed as advice on the state of the property, or as a comment of its soundness or safety, including in regard to earthquake risk, safety in the event of fire, or insanitary conditions.

New Zealand Archaeological Association (NZAA)

Recorded archaeological sites from the [New Zealand Archaeological Association](#). For further information please visit [ArchSite](#) or contact the ArchSite Coordinator admin@archsite.org.nz

NZAA Disclaimer

The New Zealand Archaeological Association Incorporated gives no warranty in relation to the data (including accuracy, reliability, completeness or suitability) and accepts no liability (including, without limitation, liability in negligence) for any loss, damage or costs relating to any use of the data.

Operative District Plan (FNDC)

Please consult the relevant sections and [Appendix 1](#) for further information regarding notable trees (1D), heritage sites (1E), archaeological sites (1G), and sites of cultural significance (1F) in this map.

FNDC Disclaimer

While the Far North District Council strives to keep the data in this service current, it may not be the most recent or most accurate data available. No reliance on the information contained on this map by any person is permitted. FNDC will not be liable for any omissions or errors of information contained on this map. FNDC recommends that persons seek specific advice on individual properties from FNDC and other specialist organisations which may hold more up to date or accurate information.
