A hand-drawn architectural sketch of a house's exterior elevation. The house features a gabled roof with a central ridge. The front facade includes four windows: a single window on the left, a single window in the center, a double window (two panes side-by-side) in the middle, and a single window on the right. The roofline slopes down from the ridge to the eaves. The drawing is done in black ink on a light-colored, textured paper.
