## Far North District Plan - Zone Map

Note:  
 Roads carry the same zoning as the adjoining land.  
 If the boundary between zones follows a road, the zone boundary is located on the centreline of the formed road, or where unformed.  
 Note:  
 Designations have been taken to avoid errors and omissions, and the latest information has been included in these District plan maps.  
 However, even with the greatest care inaccuracies may occur and therefore the Far North District Council cannot accept any responsibility for such errors and omissions.
