Dear Alvin

RE: RC2200253 – Section 92 Request – Tracey at 222 Newton Road, Omapere

We are in receipt of your Section 92 request.

Please find attached Slope Stability Analysis Report prepared by Land Development & Exploration (LDE).

We have amended the scheme plan to what was submitted with our original report under LDE's recommendations. The final position of the right of way will be determined at time of survey. I have attached a copy of the updated plan also.

If you have any questions please do not hesitate to contact me.
