Farm Dairy Return Visit Report
for Supply Number - 10775

Visit Type: Off farm visit
QM & Hygiene Return Visit Number: N/A
S&F Return Visit Number: 1st Visit

valken1@xtra.co.nz

Dear Ken

This report is a summary of your return visit completed on **8/05/2024** and covers only those hazards or any subsequent hazards that needed to be closed out on that date. Other hazards that were identified previously may still be outstanding and should be corrected as per the annual farm assessment report.

Patty Landers
Fonterra approved Farm Dairy Assessor
