Proposed district plan

The council is reviewing the current District Plan. This is the set of rules that control where you can undertake certain activities, and how land can be used, developed and subdivided. The District Plan affects all landowners and residents in the Far North.

A new District Plan has been proposed (Proposed District Plan). Landowners, the wider community, tangata whenua and stakeholders were asked to tell us what they thought of the plan. The [original submissions](#) period captured this feedback. A [further submissions](#) period followed.

You can view the ePlan of the Proposed District Plan here.
